III. Notes on Voting at the SM

(I) Shareholders of the Company exercising their voting rights through the online voting system of the Shanghai Stock Exchange for shareholders' meetings can either log on to the trading system voting platform (through the trading terminal of the designated trading securities company) or log on to the Internet voting platform (website: vote.sseinfo.com) to cast their votes. For the first time to log on to the Internet voting platform to vote, investors need to complete the shareholder identification. Please see the instructions on the Internet voting platform website for specific operations.

(II) If the same voting right is repeatedly voted through on-site, the online voting system of the Shanghai Stock Exchange or other means, the result of the first vote shall prevail.

(III) The number of voting rights that shareholders holding multiple shareholder accounts can exercise is the sum of the number of common shares of the same category held in all shareholder accounts under their names.

If shareholders holding multiple shareholder accounts participate in the online voting of the shareholders' meetings through the online voting system

of the Exchange, they can participate through any of their shareholder accounts. After the voting, it shall be deemed that all the common shares of the same category under the shareholders' accounts have voted for the same opinion respectively.

If shareholders holding multiple shareholder accounts repeatedly vote through multiple shareholder accounts, the voting opinions of common shares of the same category under all shareholder accounts shall be subject to the first voting results of each category and variety of shares respectively.

(IV) Shareholders will vote on all proposals before they can be submitted.
